In the proceedings of the Hon'ble the Resident at S.N.20, sanction to the payment of rent at Rs.200/- per annum was accorded in respect of a telephone connection from the Central Exchange, Bangalore to the residence of the Munsiff Magistrate, C.&M. Station Bangalore. After the issue of the above proceedings it appears that the Munsiff Magistrate moved his residence from the C.&M. Station, Bangalore to Bangalore City and got an automatic telephone connection ^{installed} by the Superintendent, Power & Lighting, Bangalore.

It is clear from the proceedings that the telephone connection ^{sanctioned was to} ~~should~~ be from the Central Exchange, Bangalore. The rent for a connection from the Central Exchange would go to the British Telegraph Department and would be paid by book adjustment.

Now that the connection has been made with the automatic telephone system the rent would go to the Mysore Government. The circumstances under which this arrangement, which was not contemplated in the Resident's proceedings quoted above, was made are not clear. Perhaps the file may be sent U.O. to the District Magistrate for favour of retransmission, with his remarks, through the Pay and Accounts Officer.

I regret that I did not realize that financial
difficulties were likely to arise owing to the telephone
being connected to the City instead of to the Cantonment
exchange. As the expenditure was sanctioned
I am afraid I assumed that the head branch
payment was made as of little importance.

The telephone was urgently needed and
hence I ordered that it should be
installed. The fact that the M.M.
proposed to send outside Cantonment
limits was known when he applied for a
hiring loan. J.H.

Letter No. 1051-A-20, dated the 18th September 1930 from
the Munsiff Magistrate, Civil and Military Station, Bangalore
to the District Magistrate, Civil and Military Station, Bangalore

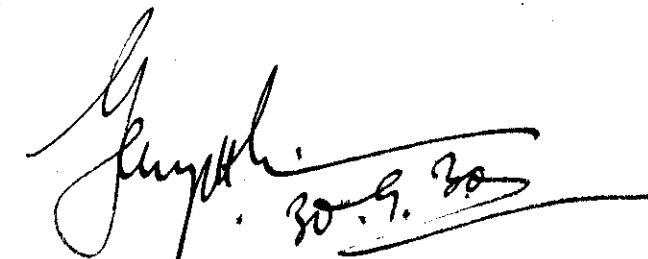

I have the honour to bring to your notice that occasions
have arisen when the Police have to keep in communication with
me outside the hours during which I am in my office and
that for this purpose it has become necessary for messengers to
be running between my residence and the respective Police Station.
This has resulted in some inconvenience and delay which could
easily be avoided by providing a telephone connection to my house.
I have the honour, therefore, to request that you will be pleased
to order the installation of a telephone in my residence.

Ref. No. 4412-A-20.

Copy forwarded to the Secretary to the Resident in Mysore,
Bangalore, for favour of obtaining the Hon'ble the Resident's
sanction. The Commissioner of Police states that the installa-
tion of a telephone to the Munsiff Magistrate's residence would
be a great convenience to the Police. No provision has been made
for this in the current year. The cost of Rs. 100/- for the -
6 months in the current year will have to be met by reappropria-
tion.

Urgent

No.2110-A-30, dated the 12th December, 1930, from the
Munsiff-Magistrate, C.& M. Station, Bangalore, to the District
Magistrate, Civil and Military Station, Bangalore.

I have the honour to forward herewith the letter received from the Superintendent, Bangalore Power and Lighting with reference to the payment of a three months' deposit for the telephone installed in my residence pursuant to the Proceedings of the Hon'ble the Resident in Mysore No.8299 dated 1st November 1930. I have the honour to submit in this connection - that I drew a Bill to-day for this amount and sent it for encashment by the Pay and Accounts Officer. I was informed - that the order of the Hon'ble the Resident issued to that office contains a direction that the amount payable on account of this telephone connection may be recovered by the Divisional Engineer's Office by book adjustment. Objection is accordingly taken to the payment of the bill drawn by me, and I am advised it is necessary that the order issued to the Pay and Accounts Officer by the Hon'ble the Resident should be amended by directing that the payment on account of the Telephone installation at my residence may be made to the Superintendent, Bangalore, Power and Lighting.

I have the honour, therefore, to request that you will kindly move the Hon'ble the Resident, to have the necessary amendment made and further to request that you will be pleased to inform the Pay and Accounts Officer of the fact of your having done so, as that will enable me to get the bill cashed at a very early date, if not by to-morrow as required by the Superintendent, Bangalore Power and Lighting.

The enclosures may be returned to me after perusal.

Ref. No. 5796-A-30 Enc. 1.

Copy with a copy of the enclosure, forwarded to the Secretary to the Resident in Mysore, Bangalore, for favour of amending the Hon'ble the Resident's Proceedings No.8299 dated 1-11-'30.

The Munsiff Magistrate moved his residence from the Station to the City after the issue of the above Proceedings and at his request I addressed the Superintendent, Bangalore Power & Lighting, Bangalore, to install the telephone to his new residence.

With reference to your endorsement Ref. No.5796-A-30, dated 13-12-1930 forwarding to the Secretary to the Hon'ble the Resident with your remarks a copy of letter No.2110-A-30, dated 12-12-1930 of the Munsiff Magistrate on the above subject, I have the honour to state that in the Hon'ble the Residents Proceedings No.8299, dated 1-11-1930, the Divisional Engineer, Telegraphs, was requested to put up the connection. But the Munsiff Magistrate presented a bill for Rs.45/- being the 3 months' deposit claimed by the Superintendent, Bangalore ^{Power} and Lighting. It was not clear why payment of the amount to the Superintendent, Bangalore Power and Lighting was asked for. A copy of the objection issued by this office is herewith enclosed for information.

In para 1 of his letter the Munsiff Magistrate states that he was advised that the order should be amended directing the Pay and Accounts Officer to pay the amount due on account of the telephone installation to the Superintendent, Bangalore Power and Lighting. I wish to say that the advice was not given by this office. In fact this office was not aware why the connection was not put up by the Divisional Engineer, Telegraphs, until the receipt of your endorsement under reference stating that the Munsiff Magistrate has removed his residence from the Station to the City and it is to his City residence that the telephone connection had to be put up.
